RECLINING ON A CLOUD

Prof was in the classroom
Grading on some papers;
Some of the class sat at their desks,
Though some were cutting capers;--

When from the open laboratory
Came an explosion big and loud;--
When next I chanced to meet the Prof,
He was reclining on a cloud.

"Remember Pearl Harbor"

Gen. Douglas Mac Arthur

O— say! can you see, by the dawn's ear-ly light,
What so proud-ly we hailed at the twi-light's last gleam-ing?
Whose broad stripes and bright stars, thru the per-il-ous fight,
O'er the ram-parts we watched, were so gal-lant-ly stream-ing?
And the rock-ets red glare, the bombs burst-ing in air,
Gave proof thru the night that our Flag was still there.
O— say does that Star-Spangled Ban-ner yet wave
O'er the land of the free and the home of the brave?
